

## Minutes from Evaluation Meeting June 2, 2015

### Attendees:

Jose D'Arruda, Cynthia Reeves, Steve Lampley, Brian Terry

Met with Jose D'Arruda on June 2, 2015 to discuss the NSF-ATE project and the EUSRT program here at the college.

Steve Lampley started the meeting by providing an extensive overview of the EUSRT curriculum that is taught here at RCC. A tour of the facility and equipment followed the overview.

Mr. D'Arruda requested some baseline data concerning the EUSRT curriculum enrollment numbers. Mrs. Reeves responded that she would retrieve and transmit the requested data.
